

Are you ready to move?

If you are using Homesearch you obviously need or hope to move home soon. Why not get ready by joining Gateway Credit Union?

Gateway Credit Union is your local savings and loans co-op, with over 2000 members across Torfaen and Monmouthshire. We offer safe and easy ways to save, and loans at affordable rates and on flexible terms. We're local, and run by the members;-people like you! Anyone can join and many (but not all) of our members are tenants on low incomes or benefits.

Why not start saving with us now and pay in a few pounds each week? You could build up a fund ready for removal costs, decorating, carpets and all the things you will need when you get your new home. You can pay in cash, or by standing order, deductions from pay or by paying benefits in. Many families are choosing to save their Child Benefit with us, or you can ask us for a Paypoint card. What would suit you?

If you are already a regular Gateway saver, we are much more likely to be able to offer you a loan when you need one. We have part-time offices based in most towns in Monmouthshire, or you can call our Head Office in Pontypool.

When you are offered a tenancy, you may need money quickly. If your savings aren't enough, a Gateway Credit Union loan is likely to be the cheapest option. Don't be tempted into borrowing from doorstep lenders, payday loans or ordering goods from expensive weekly payment companies, you will pay far more. Call in and see us about a loan. Then you can shop around for the best deals. We lend from £50 up to £7500, but most of our loans are for small amounts.

We also offer an all-inclusive price for white goods such as washing machines, fridges and cookers from Homecare Appliances of Pontypool. Most appliances are less than £7/week over 1 year with free delivery and connection.

Many of our members have had financial problems in the past. We can help you make a new start in your new home. Save with us for Christmas, holidays, or just to have money put by for emergencies. We pay an annual dividend and offer free life insurance for our members. All the Local Housing Associations suggest that their staff and tenants join Gateway because they know we offer a great deal!

Your Credit Union can help!
